"Thy word is a *lamp* unto my feet and a *light* unto my path" Psalm 119:105

September, 2010

Dear Lamplight Family,

We are pleased to share with you the exciting things that God is doing through Lamplight Ministries in many different countries. Praise the Lord. We are grateful to you for your prayers and for your financial support that enables us to help many people around the world.

**COMMENTS FROM PEOPLE WHO HAVE
BEEN HELPED BY OUR PUBLICATIONS**

If you would like to see the effect of your prayers and your contributions, please visit our website at www.lamplight.net to see 569 comments from people in 41 different countries who have been helped by our books and Scripture cards. You can order our publications from our website, from our post office box or the 800 telephone number at the bottom of this page.

NOTE: We receive testimonies from people in many countries. We no longer mention the names of people who give us comments. Now or in the future that person might be persecuted because someone saw his or her name online sharing a Christian testimony.

A PASTOR IN SOUTH AFRICA SAID THAT HE NO LONGER HAS TO STRUGGLE TO DECIDE WHAT TO PREACH OR TEACH NOW THAT HE HAS *WHAT DOES GOD SAY?* This pastor said, "Our ministry here in South Africa is flourishing. We thank God for the books from Jack and Judy Hartman. The book, *What Does God Say?*, is my daily manual. It addresses all issues of life. I read it every day and I love it. I am complete. This book has made our ministry more effective. I no longer have to struggle on what to preach or teach. I am now equipped with the correct material. This book is filled with the anointing and revelation of God. My fellow pastors here in South Africa are hungry for these books. We soon will be opening a branch in Pretoria and also in Botswana. I thank God for the Hartmans. I always pray for them."

A WOMAN IN THE PHILIPPINES SAYS THAT SHE CANNOT DESCRIBE THE ASSURANCE SHE RECEIVES FROM A *CLOSE AND INTIMATE RELATIONSHIP WITH GOD.* This woman said, "Your book, *A Close and Intimate Relationship with God*, has changed my life. This book reminds me again and again that I do not have to depend on my human abilities because I trust God completely. No matter what problem I have, my heavenly Father wants me to have a close and intimate relationship with Him. This book is such a help. I don't ask God why I am going through the problems I am going through. I am not fearful any more. This book has taught me that I have a big God to rely on. He will take care of everything if I have childlike faith just like you said. I cannot describe the assurance that God gives to my heart when I read your book. I thank God very much for both of you."

A MAN FROM ZAMBIA SAID THAT *EXCHANGE YOUR WORRIES FOR GOD'S PERFECT PEACE* HAS LED HIM TO A GREAT BREAKTHROUGH IN HIS LIFE.

This man said, "Your book titled *Exchange Your Worries for God's Perfect Peace* is amazing. This book has changed my life and the way I look at God. This book has led to a great breakthrough in my life. I used to give my burdens to God and then take them back. After reading your book, I have learned to trust God and to cast my burdens on Him and not take them back. God blessed me with a new job shortly after reading this book. I am employed by the government as a lecturer at the Skills Training Institute. I am blessed because of the spiritual guidance and counseling I have received from this great book. Thank you so much for your help."

A MAN FROM NIGERIA SAID THAT *UNSHAKABLE FAITH IN ALMIGHTY GOD* ANSWERED MANY QUESTIONS THAT HE HAD.

This man said, "I thank you very much for sending me a free copy of *Unshakable Faith in Almighty God*. This book is filled with many dynamic blessings. I now know the importance of studying and meditating on Scripture. Your book has answered many questions that I had. It fills and continues to fill me with powerful concepts. May God bless you, dear Daddy and Mummy. You are good!"

COMMENTS FROM JACK HARTMAN

Each day of my life I pray asking God to give me excellent health to fully complete the assignment He has given me. I pray that He will show me every book that He wants written and the exact order of these books. I ask Him to show me how to put together the tremendous numbers of details for each book. I ask Him to mightily anoint each chapter, each paragraph, each sentence and each word so that every one of these books will be exactly the way He wants them. I ask Him to give great anointing to Judy Hartman and Judy Mangle as they work with me on each book.

I could not be more excited as I move toward my eightieth birthday. I write every day. I have a definite goal for writing time for each year. At this time I am almost exactly on schedule for the goal that I set last December. I believe that this goal will be made on December 31.

We are coming along very well with Book #22 which will be titled *Overcoming Fear*. We are working on the first part of Draft #5. We normally do seven drafts of each book. We are gradually finalizing this book. We should have it ready for the printer late in 2010 or early in 2011. We still have to raise the funds for this book. God has been faithful in this area with every one of our preceding books. We trust Him to do the same with this book.

We have added a chapter about overcoming the fear of death. We also have chapters in this book about the fears that many people experience as they grow older. This book will be a hands-on manual for anyone who wants to know exactly what the Bible says about overcoming fear. We believe that any person who reads this book will be pleasantly surprised with the many scriptural truths pertaining to fear that are not contained in other books on this topic.

At the same time I am working diligently on Draft #1 of a book that will be titled *God's Incredible Love for You*. This book is coming along beautifully. I am so excited about this book that I am tempted to drop everything and move this book ahead to completion. However, I don't want to get ahead of God.

We also believe that many Christians who read the final draft of this book will find a tremendous number of scriptural truths that they have never seen before. We have done our homework. This book will be very thorough, but it also will be written in simple and easy-to-understand language. I will write the first two drafts and then give Draft #2 to Judy to work closely with me on all successive drafts as she always does.

JUDY AND I WERE UNABLE TO RECEIVE A PAYCHECK IN SEPTEMBER. Judy and I pay ourselves a salary of only \$1,000 a month each for the large number of hours that we put into Lamplight Ministries. There were no funds to pay our salaries in September. We are not wealthy. We depend on this income to supplement our Social Security. We have faced this challenge three or four times in the past. Every time God has brought in the money at a later date. We are trusting Him to do the same this time.

We have not decreased the number of free books we are sending so that we could have money to pay ourselves. We are doing just the opposite. We trust God completely. Please pray and ask God if He would have you send a contribution to help with our current cash shortfall. Please also pray asking God if He would have you become a regular contributor to Lamplight Ministries. We need more help to continue to send out books and Scripture Meditation Cards to needy people in Third World countries and to inmates in prisons and jails. Thank you and God bless you.

COMMENTS FROM JUDY HARTMAN

Dear Lamplight family,

I love you. I have lots to share with you. Two are actions that you can take if they ring a bell with you☺

1) We are creating a stand alone kiosk that can be placed in a church, a church bookstore, or a business. It will hold many of our books in little shelves. The top of the kiosk will have the photograph of Jack, JC, and me. The title of the kiosk is "Jack and Judy Hartman: Making the Bible Easy to Understand." Please let me know if you have an interest in placing a Lamplight kiosk in a store, a church, or any facility where you would like to minister the Word of God through Lamplight books. The same 50% discount for any combination of ten or more items will be available for the kiosk books.

2) Our website was state of the art some years ago. Ryan Hobus of Close to Home Media (ctho.com) has given me a report of changes that we must make to our website to bring it up to date and to make it easily found.

Here is his report: "This move will update and migrate your website to a newer ecommerce backend system. This will give you expanded individual product pages, the ability to sell digital products (mp3s, ebooks, etc), and receive online donations. Customers can create and log in to their own accounts, view order history, and not have to type in their address information again. There is also a private administrator access to manage the store where you can add/remove/change products, change prices, view orders, run reports, and manage the day-to-day operations of the store. On top of that, you get a built-in blog, and can have pages for articles, information, videos, and more. It also will have a newsletter function built in so you manage the newsletters in an easier way. The entire site will also be search engine optimized and PCI compliant. It really gives you a solid platform for the next phase of growth on the Internet."

If you would like to have a part in investing in updating our website, the approximate cost is \$2,500 instead of \$5,000 because of Ryan will be giving us a 50% discount. We are blessed with Ryan's expertise. (You can see his work at <http://www.ctho.com>)

Here are three glorious, life-changing interactions I have had this month with God's generals in his field that is ripe to harvest. I had many more, but we do not have space. Please pray for each one:

A Bible school teacher in a country where there is great persecution of God's people emailed me: "Your writings are great. I teach them to the Bible students at the Institute of Missions and Church Planting. I am very pleased to serve together with you for the Lord. The students learn God's Word. These students are first year and new Christians with Buddhist backgrounds. When I teach them, they are very happy to listen. I am very excited to print and distribute your books here. "

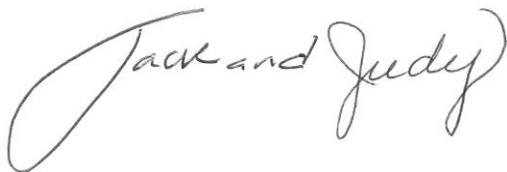

From New Hampshire: "How my heart rejoices over your ministry of spreading God's Word, revealing God's person, His presence, His promises, His provision, His power and His purposes. The timing of *A Close and Intimate Relationship with God* has come perfectly to coincide with the Ladies Sunday School class I'll be teaching this fall – "Experiencing Spiritual Intimacy" (A Women of Faith Bible Study by Christa Kinde). Usually 20 women attend the class. Join me in praying for more women to come and for all to grow in this beautiful study. Praising Him from Whom all blessings flow!"

From the days when Jack taught a Bible study in New Hampshire from 1976 to 1987: "I still have all your Bible Studies. To this day I have never found anyone who has made it so simple to understand the Word of God. I recently was given a box of books and in it was a book by you called *Strong Faith for the Last Days*. I don't know if it is out of print, but one would think you just wrote it yesterday! I was hoping to get several copies for our study group. Is this possible? Again, thank you for your faithfulness. You two look great!" (I explained to her that *Strong Faith for the Last Days* has been replaced by our newer book, *Unshakable Faith in Almighty God*.)

We have three books that are out of print. We will be making them available as ebooks. Even though a newer book may replace an older book, people become attached to certain books, so we are making all of our books available as ebooks. Watch our website: <http://www.lamplight.net> for the addition of all Lamplight books as ebooks.

We pray God's blessing upon you in Jesus' mighty name. You hold someone's miracle today ☺

Blessed to be a blessing, Genesis 12:1-3
