*"Thy word is a lamp unto my feet and a light unto my path" Psalm 119:105*

**April, 2011**

Dear Lamplight Family,

We are pleased to share with you the exciting things that God is doing through Lamplight Ministries in many different countries. Praise the Lord. We are grateful to you for your prayers and for your financial support that enables us to help many people around the world.

**COMMENTS FROM PEOPLE WHO HAVE  
BEEN HELPED BY OUR PUBLICATIONS**

If you would like to see the effect of your prayers and your contributions, please visit our website at [www.lamplight.net](http://www.lamplight.net) to see 569 comments from people in 41 different countries who have been helped by our books and Scripture cards. You can order our publications from our website, from our post office box or the 800 telephone number at the bottom of this page.

NOTE: We receive testimonies from people in many countries. We very seldom mention the names of people who give us comments. Now or in the future that person might be persecuted because someone saw his or her name online sharing a Christian testimony.

**A MAN FROM THAILAND SAID THAT HE NEVER KNEW GOD THE WAY HE KNOWS HIM NOW AFTER READING *WHAT DOES GOD SAY?*.** This man said, "I am a sixty-two year old retired official in the Royal Thai government. I am a born-again Christian. Throughout my life I think I am a good Christian by going to church. Recently a friend of mine gave me a book titled *What Does God Say?*. At first I thought what could God say to someone like me who prides himself on being a faithful church-goer? When I started reading, however, it was like being awakened from a long sleep. Never before did I know God the way I feel now. I feel so ashamed of being so ignorant all these years thinking that just going to church is enough to be called a good Christian. I don't know how to thank the authors of this book who opened my heart and mind to see God the true way that He is. The remaining years of my life will not be the same with this newfound knowledge of our Savior. Better late than never."

**A MAN IN A FEDERAL PRISON IN FLORIDA SAID THAT OUR BOOKS HAVE ENCOURAGED HIM FOR MANY YEARS WHILE HE WAS IN PRISON.** This man said, "You have been a blessing to me throughout the years of pain and hurt that I have been in prison. Your books have helped me to understand the Bible. I have been in prison for twenty-two years for a crime for which I was falsely accused. Now that I am more mature in God's Word, instead of complaining about my life in prison, I praise God for my eternal salvation. Better me to be in prison for twenty-two years than to be under the curse of sin and my soul going to hell where the sentence never expires. My son also was saved because of the books I asked you to send him. I thank God that my son got saved by reading your marvelous books. Enclosed are the names and inmate

numbers for eleven inmates who would like to receive your books. I am sending you a book of stamps to help a little bit with the mailing cost. It isn't much, but it comes from the bottom of my heart."

**A MAN FROM MASSACHUSETTS SAID THAT *OVERCOMING FEAR* IS OUR BEST BOOK EVER.** This man said, "I want to thank you immediately for your new book, *Overcoming Fear*. I have read every one of your books and given copies to many people, but I want to tell you that I believe this is your best book ever. I can hardly put it down. The day I received it I stayed up late, even though I was very tired, to read the first four chapters. The next morning I read two more chapters before going to work. This book is very inspiring. It gives me great peace. God's peace is so great that I cannot describe it. I have almost finished reading this book. When I am done, I will immediately read it again. Enclosed is a check for ten copies of this book plus a contribution to Lamplight Ministries. Thank you, Jack and Judy, for writing this wonderful book."

**A WOMAN FROM MINNESOTA SAID THAT *OVERCOMING FEAR* WHICH HAS COMFORTED HER GREATLY WILL BE A CONSTANT COMPANION ALONGSIDE HER BIBLE.** This woman said, "I want to thank you for publishing the book *Overcoming Fear*. I am reading mine for the second time. I cannot tell you how comforting it is. The way you have put information along with the right Bible verses is so truly helpful. As world conditions worsen, I can tell you that this book will be a constant companion alongside my Bible. I am so grateful for you both. Keep up the good work. You are making a big difference in peoples' lives. You have in mine."

### COMMENTS FROM JACK HARTMAN

Even though *Overcoming Fear* has just been published, we already are receiving favorable comments. If you have to cope with fear in your life, or you know someone who does, please read the last two comments in this newsletter carefully. This book will help any person who is tempted to be afraid. God has done His part. He has told you exactly what you should do to be set free from fear. You must do your part. You need to learn and obey God's specific instructions. You need to learn His promises and have absolute faith that God always does what He says He will do.

I am working diligently on our 23<sup>rd</sup> book, *Effective Prayer*. I have been writing books for more than forty years. The first two books on sales management were published in the late 1960s and the early 1970s. I wrote my first Christian book in 1982 and published it in 1983. I now have written and/or co-authored with Judy twenty-two Christian books plus ten sets of Scripture Meditation Cards.

I have had a lot of experience writing, but I can honestly tell you that I have *never* experienced anything that is even remotely like what I am experiencing as I write *Effective Prayer*. The anointing of God on this book is impossible to describe. I am in awe of how this book is taking shape. I soon will have the first draft finished. Then I will write the complete second draft. I then will give Draft #2 to Judy. She will work with me for the remaining drafts to complete this project.

Writing this book is a labor of love. I will be eighty years old in two months. I write every day. I pray daily asking the Lord to give me excellent health for the rest of my life to fully complete the assignment that He has given to me. We believe that *Effective Prayer* should be completed before the end of 2011. We urge you to be sure to get a copy of this book. We will guarantee this book with an unconditional money-back guarantee. We are certain that *everyone* who reads this book will learn great spiritual truths that he or she has never read before.

I am continuing to move forward with several other books. At this time I believe that Book #24 will be titled *Surrender Control of Your Life*. I believe that God is leading me to move this book up on the writing schedule. After this book I believe that we then will complete *God's Incredible Love for You and Receive God's Supernatural Protection*.

I am so grateful to be in the center of God's will at this stage of life. God has shown me several additional topics for other books. I keep working on these books one at a time. Judy's valuable contributions are extremely helpful on every one of these books. We are very grateful to God for Lamplight Ministries and to each person who supports this ministry.

We are sending a large number of books to inmates in prisons. We currently are reaching out to many inmates in two federal prisons in Florida. Many of these inmates recommend our books to other inmates. We also are working with many people around the world. We have just sent books to Russia. We have had testimonies from Thailand in our last two newsletters. We receive continual comments from people in Africa and other countries who are being helped by our books.

You can see from the testimonies in our newsletters that many people *are* being helped by our publications. The cost of sending all of these books free of charge is very high. Please pray and ask God if He would have you help us by becoming a monthly contributor to Lamplight Ministries. Thank you and God bless you.

## COMMENTS FROM JUDY HARTMAN

Beloved Lamplight family,

**THANK YOU FOR PRAYING.** We know that our writing is greatly affected by the prayers of our Lamplight family. We both know that our minds are sharper than they have ever been in our lives and that the thoughts we find coming through them often are beyond our mental capacity. They are Spirit-given. We thank you so very much.

## LIVES TOUCHED BY THE WORD OF GOD IN LAMPLIGHT PUBLICATIONS.

From a dear lady in Mauritius: "I am writing from Mauritius Island. I am so happy that a pastor friend of mine offered me your book, *Receive Healing from the Lord*. I am so grateful. I usually lend my books but this one is so precious that I want to keep it just for me. I was desperate and I knew doctors could only give me medicines that won't cure anyway. And your book came. I understand two things. God will do His part if I do mine. That is: take care of my body and eat healthy food. Faith came while meditating on God's Word for divine healing. Thanks so much for the precious verses that I have learned to confess. Thanks for your encouragement to obey God's Word whatever it costs. I am trying to change my eating habits and am really waiting for a manifestation of divine healing. I badly need it. Meanwhile if you have anything you can send me as recipes or any advice concerning my health problems, it will be most welcome. I have been blessed by your book, *Exchange Your Worries for God's Perfect Peace*. There is so much love in your writing. Thanks for much."

From a dear Lamplight lady in California and missionary to wherever God calls: "I have a request from a friend in our church who has found herself in need for seeking God's best for her finances. I told her about *Trust God for Your Finances* and she has requested a copy. I don't want to give up our copy and she probably would like to mark her own and reuse it. It's such an incredible tool that God has provided through Jack."

From a dear Lamplight lady in Massachusetts: "I believe the gift of writing and sharing the truths of God's Word that you and Jack have from God has a wonderful anointing upon it that when people read your books, an impartation of the Life in His Word takes deep, permanent root in them that goes to work to do a transformation in their spirits to the purposes and Glory of God."

How about this story of a timely and untraceable placement of a Lamplight book?: "I received a phone call from a relative this morning who is incarcerated. He asked if I would please contact you to see if you have a prison ministry. If you did, he wanted to receive your books. He told me that he was experiencing disappointment. He went to his bunk, and there was one of your books! The moment he picked it up, he had an unction in his spirit and knew that his Father had come to encourage his faith. He said that when he turned the book over and saw your picture, he felt related to you – like he'd just seen a picture of someone very special to him. He was so revitalized by reading your book that he didn't want to wait for the long process of sending you a letter and waiting for your response, so he called me and asked that I do it for him." (We are sending more books and I am calling the chaplain to see about sending books to him as well. As you our Lamplight family request, we send books to inmates in prisons because they can receive books that come directly from a publisher. Please send us the address of any inmate that you know.)

**PLEASE PRAY FOR:**

1. The printing and distribution of *Unshakable Faith in Almighty God* in Ghana.
2. The release of innocent Inmates in prisons and jails who have been wrongly convicted. God knows who they are. Pray for the release of all who are in prison who belong home with their families and do not belong in prison.
3. Jack and me as we complete two books: one on prayer and one on surrender.
4. The distribution of our publications world-wide to hungry hearts for the spread of the gospel
5. The project of creating ebooks of all of our publications, including translations

Together we are blessed to be a blessing, Genesis 12:1-3
