"Thy word is a *lamp* unto my feet and a *light* unto my path" Psalm 119:105

October, 2012

Dear Lamplight Family,

We are pleased to share with you the exciting things that God is doing through Lamplight Ministries in many different countries. Praise the Lord. We are grateful to you for your prayers and for your financial support that enables us to help many people around the world.

**COMMENTS FROM PEOPLE WHO HAVE
BEEN HELPED BY OUR PUBLICATIONS**

If you would like to see the effect of your prayers and your contributions, please visit our website at www.lamplight.net to see comments from people in more than 40 different countries who have been helped by our books and Scripture cards. You can order our publications from our website, from our Post Office box or the 800 telephone number at the bottom of this page.

NOTE: We receive testimonies from people in many countries. We very seldom mention the names of people who give us comments. Now or in the future that person might be persecuted because someone saw his or her name online sharing a Christian testimony.

A PASTOR FROM ZAMBIA SAID THAT OUR BOOKS ARE THE FOUNDATION FOR THE MINISTRY THE LORD HAS GIVEN TO HIM. This pastor said, "I thank God for you and the gift of books that I have received. God has given me the opportunity to read many books written by Christian authors, but I have never seen books like yours before. They are extraordinary. I am learning a great deal from reading *Receive Healing From The Lord* that I need in my life, my family and our church. In this book you have explained great truths that I will use in my preaching. Surely the Lord has brought you into my life at this time. The divine information that I am learning from you will be the foundation of the ministry which the Lord has given me. Thank you. God bless you and keep you."

A PASTOR IN SOUTH AFRICA AND HIS WIFE USE OUR BOOKS AS MANUALS TO MINISTER TO MEMBERS OF THEIR CHURCH. This pastor said, "I have shared with my good friends about you and the books that you wrote. I told them I would like to grow old like you and dedicate my life to ministry. I have learned so much from the books that you have sent me. My wife and I use your books as manuals as we minister to members of our church. Every Tuesday my wife teaches vital truth from your books. I cannot wait to read your new book. I want to share the insights that the Lord has given you with many people here."

ANOTHER PASTOR FROM ZAMBIA SAID THAT *EXCHANGE YOUR WORRIES FOR GOD'S PERFECT PEACE* ENCOURAGED HIM GREATLY. This pastor said, "Going through the book *Exchange Your Worries for God's Perfect Peace* has been indeed a blessing. I am so happy that after going through this book I have gained faith beyond doubt that God created me with a mind of peace. I was privileged to visit one of our neighbours who was admitted to Ndola

Central Hospital with the problem of diarrhea. This diarrhea was so severe that he suspected it to be HIV/AIDS related. He was quite devastated and heartbroken. When I entered his ward, verses starting coming one after another. I shared with him the importance of meditating on God's Word and confessing it. This brother is now healed and happily praising the Lord. Thank you, Jack and Judy. Through your book I have found real personal peace to live by in whatever situation I am in. I now am able to help others to exchange their worries for God's ordained peace. I will cherish this heartening book throughout my ministry time."

A WOMAN IN OREGON IS STUDYING *GOD'S INSTRUCTIONS FOR GROWING OLDER WITH HER HUSBAND*. This woman said, "My husband and I have been blessed by *God's Instructions for Growing Older*. We study this book together. I really like the chapters on filling our minds and our hearts with the Word of God. The chapter on God bringing us through adversity is the best chapter. I am very interested in what you wrote about God's assignment for the rest of our lives and the glory that we will experience when we go to heaven. I am sure that the work you do for the Lord is a blessing to Him. The Lord bless you both!"

COMMENTS FROM JACK HARTMAN

I cannot tell you how excited I am to say that I am convinced, at age 81, that the most productive time in my life *is ahead of me*. Praise the Lord! My energy level has decreased significantly. I am devoting almost all of the energy that I have to writing books.

Our next book, *You Can Hear the Voice of God*, soon will be ready to go to the printer. If Jesus is your Savior, you *can* hear God speaking to you throughout every day of your life. This book is solidly anchored on 286 Scripture references that explain exactly what you should do to hear God speaking to you. You will be receiving a detailed letter pertaining to this book in approximately two weeks.

I have finished Draft #1 of Book #27, *Enter Into the Presence of God*. Adam and Eve enjoyed the presence of God every day in the Garden of Eden. The fall of Adam blocked every person on earth from being able to enter into the presence of God. Jesus Christ has paid the full price so that every person who has received Him as his or her Savior can enter into the presence of God.

The Bible has a lot to say about the overwhelming magnitude of the presence of God. God's presence is so awesome that the earth trembled and Mount Zion produced an earthquake because of the presence of God (see Psalm 68:8). Every person on earth is instructed to tremble at the presence of God (see Psalm 114:7).

If Jesus Christ is your Savior, *you* are able to enter into the presence of God. Can you even begin to comprehend the magnitude of this privilege that God has given you, a forgiven sinner, to come into His glorious presence each day of your life? What could possibly be more important than learning how to enter into God's presence?

Nothing in the world can remotely compare to the privilege of being able to enter into the presence of God. This book will contain 22 Scripture-filled chapters that will explain exactly what you should do to enter into God's presence. Entering into the presence of God is a lifestyle, not a procedure. We will carefully explain from Scripture exactly what your lifestyle should be so that you consistently will be able to enter into the presence of God. Our goal is to have this book in print in the late spring or early summer of 2013.

Book #28 will be titled *Absolute Reverence for the Word of God*. God wants you to have the same reverence and awe for His Word that you have for Him. God said, "...this is the man to whom I will look and have regard: he who is humble and of a broken or wounded spirit, and who trembles at My word and reveres My commands." (Isaiah 66:2 AMP)

Your Father wants you to approach His Word with a humble and teachable attitude. The Hebrew word that is translated "tremble" in this verse means to be fearful and reverential. Your Father wants you to have so much awe, respect and reverence for His Word that you will faithfully obey His

instructions to renew your mind in His Word each day and to meditate day and night on the holy Scriptures.

Most people slow down in their 80s – I am speeding up. Our next three books will be, in my opinion, the best books we have ever written. In addition to these three books, I currently have several other books that the Lord is leading me to write. I currently am working on three other books that already have one or more drafts completed – *Give Your Problems to the Lord, Receive Supernatural Strength from God* and *God's Incredible Love for You*. I have begun work on another book that tentatively is titled *God Is Always With You*. God has given us many additional titles to work. I am very excited at this stage of my life to know that I am in the center of God's will. I am totally dedicated to carrying out God's assignment for the remainder of my life.

JUDY AND I ARE STILL FOUR PAYCHECKS BEHIND FOR THE YEAR TO DATE.

We were able to make up one missing paycheck with the contributions that we received, but we have gone backward where we now are four paychecks behind again. We pay ourselves a salary of only \$1,000 a month for all of the work that we do for Lamplight Ministries. We are not wealthy. We thank each person who has prayed for us and/or sent in a contribution to meet this need.

We are *not* holding back from sending books to needy people around the world because we have not received some of our paychecks. Please pray that God will provide the \$4,000 shortfall in the near future. Thank you and God bless you.

COMMENTS FROM JUDY HARTMAN

Dear Lamplight family,

Thank you for being in our Lamplight family. We love you. We are so blessed that you are in our Lamplight family. We thank you for your part.

JACK HAD A TREMENDOUS FALL AND HAS RECOVERED QUICKLY. We thank God for the miraculous, self-healing body that He gave each of us. We have seen amazing healing in Jack's. We are grateful to family and friends for prayers that we know have made a huge difference. Please pray for Jack as he faces months of dental work, the last step in recovery that is needed.

PLEASE PRAY FOR US AS WE DIVIDE THE WORD OF GOD TO MAKE IT EASY TO UNDERSTAND. We ask you to pray for Jack and me to hear clearly from God and to be alert to the Holy Spirit as we write. Jack has picked up the pace of writing. We have the next book, *How to Hear the Voice of God*, on schedule for publication in December. Keeping up with Jack is quite a marathon☺ Working together so well is a gift from God☺ Our primary focus is to present the *Bible* accurately, yet simply. We ask you to pray that we will "Study to show ourselves approved unto God, workmen that need not be ashamed, rightly dividing the Word of Truth," (II Timothy 3:15). Thank you so very much.

WHAT YOU CAN DO:

1. Please email us at lamplightmin@yahoo.com, call 1-800-540-1597, or write a note to us letting us know if one of our publications has made a difference in your life.
2. You can share the gospel by carrying one of our books, sets of Scripture cards, or just one set of cards. You can give the Word of God to everyone you meet during the day. Always when I give just one card to someone, I look back and see the person reading the card. The Word of God is powerful and the Holy Spirit will draw people to the Lord as you pray for them and present the Word of God to them.

3. USE *WHAT DOES GOD SAY?* as a Bible study to disciple one or more people. A dear new friend in South Carolina told me: "It is just wonderful! I read excerpts to my class. They ask questions. Your book is invaluable. When you have it all in one place, that helps. It's a wonderful teaching tool. It's such a comfort. You have to have Hope. I was teaching a group who had been together fourteen years. I was the youngest. I had four ladies over ninety years old. Hope means more and more to you – your hope of heaven. I'm going to give a copy of *What Will Heaven Be Like?* to each of them." A very powerful ministry: Take this book to a nursing home and read it to whoever wants to have someone read to him or her or to a small group. You can have a ministry by reading a Lamplight book in a nursing home. Do it!
4. Pray for our longtime Lamplight friend who is caregiver for her sister who is suffering from the symptoms of Alzheimer's disease. Please pray for our friend and her sister. Our dear friend told me: "I want to thank you and Jack for all the inspirational, Bible-based books over the years that have been very encouraging for me and my family. I have given books to others as well. The books have been a tremendous blessing. Right now, I'm working on *God's Joy Regardless of Circumstances*. Thank you for praying." (This lady called me to discuss the situation and pray. I was so blessed to finally talk with a name I had known for so many years. You really bless me when you call 😊)
5. Go to a local Hospice and read one of our books to someone there. Another longtime friend from Massachusetts called and told me: "I was connected with Jack when I was in New Hampshire. He sent me his Bible study notes for a year. I was so impressed. It was precious. I ordered some books awhile back. A Hospice companion for my sister said that she would like to read your book, *Exchange Your Worries for God's Perfect Peace*. She read the book and had a complete transformation in her life. Then she gave the book to her husband. So, I want to order four more for myself!"

Dear friends, our books are actually Jack speaking because he dictates every word. I encourage you to become an evangelist by giving our books to people or reading one to someone. Do let me know what happens 😊

We love you dearly and thank God that we are a team dedicated to reaching the lost and building disciples who do the same. We are blessed to be a blessing (do let me know how you decide to bless others), (Genesis 12:1-3).
