January, 2013

Dear Lamplight Family,

We are pleased to share with you the exciting things that God is doing through Lamplight Ministries in many different countries. Praise the Lord. We are grateful to you for your prayers and for your financial support that enables us to help many people around the world.

**COMMENTS FROM PEOPLE WHO HAVE
BEEN HELPED BY OUR PUBLICATIONS**

If you would like to see the effect of your prayers and your contributions, please visit our website at www.lamplight.net to see comments from people in more than 40 different countries who have been helped by our books and Scripture cards. You can order our publications from our website, from our Post Office box or the 800 telephone number at the bottom of this page.

NOTE: We receive testimonies from people in many countries. We very seldom mention the names of people who give us comments. Now or in the future that person might be persecuted because someone saw his or her name online sharing a Christian testimony.

A WOMAN FROM THAILAND READ *GOD'S INSTRUCTIONS FOR GROWING OLDER FROM COVER TO COVER* IN TWO DAYS. SHE SAID THAT THIS BOOK IS A PRICELESS GIFT. This woman said, "I am a 63-year-old businesswoman from Thailand. Like most women around the world, I do not like growing old. When I received a copy of your book, *God's Instructions For Growing Older*, I read straight from the first page to the last in two days. Your book gives me the assurance of how to grow older without fear, anxiety, and worry. I will live the rest of my life in peace and joy for I now know that if we keep God in first place at all times, the final years of our lives will be meaningful, productive, and fulfilling. Thank you, Mr. and Mrs. Hartman, for the priceless gift of your book. May God bless you and your team always."

A PASTOR IN ZAMBIA IS TEACHING IN HIS CHURCH FROM *EXCHANGE YOUR WORRIES FOR GOD'S PERFECT PEACE*. This pastor said, "Last week I started reading your book titled, *Exchange Your Worries For God's Perfect Peace*. On Sunday this week I will commence teaching from this book. Thank you for sending it to me."

contents of this book are very revealing and encouraging. The English words used in this book are very simple. I understood these contents easily as a French woman. I have received great blessings from this book. I love to read this book. May God bless you, Daddy Jack and Mummy Judy for this wonderful insight.”

A PASTOR'S WIFE IN ZAMBIA IS USING *RECEIVE HEALING FROM THE LORD* TO MINISTER HEALING AND DELIVERANCE IN THEIR CHURCH. This woman said, “Thank you for sending us your book, *Receive Healing From The Lord*. This book has helped me a lot in administering healing and deliverance in our church. Your explanation of the price that Jesus paid for our healing has had a great impact on my life and the people that I minister to. I am very excited about the books I am writing. At the age of 81 my energy level is nowhere near what it used to be. I am spending a great majority of my time writing books. I write and rest... write and rest... write and rest. I do this day after day. I am working on four different books at the same time. I am totally committed to devoting the remainder of my life to writing as many books as possible to help as many people as possible.

We have received at least 3,000 comments on our books from all over the world. Just knowing that we have helped this many people and that many other people will be helped after I have gone home to be with the Lord is a great source of motivation to me.

I go back and forth as to which will be our next book. Because I am working on several books at the same time, I constantly come up with new concepts based on whatever book I am working on. My major goal is to help people. Every time we come out with a new book, I ask the Lord to show me if this book will help many people around the world.

At this time I believe that our next book will be titled *Give Your Problems To The Lord*. When we were looking for research material for this book, we did a computer search for Christian books that have been written on the topic of giving your burdens to the Lord. Very few books have ever been written on this topic. We believe that many Christians do not know what the Bible teaches about how to give their burdens to the Lord. This book is filled with scriptural instructions that will help *you* to give your problems to the Lord.

I believe that the second book we will write will be titled *God Is Always With You*. This book should be very encouraging to people who do not have a constant sense that God is with them and that He lives in their hearts. This book will include chapters on overcoming loneliness and dealing with grief from the death of a loved one.

This is subject to change, but at this time I believe that *Give Your Problems To The Lord* will be printed in the summer of 2013 and that *God Is Always With You* will be printed at the end of this year. I know that many hurting people in Third World countries and inmates in prisons in jails will be helped by these books. I also know that many individuals here in the United States who have individual problems in their lives will be helped by the scriptural contents of these books.

I am certain that I am in the center of God's will for these final years of my life. I will continue to dedicate myself to writing as many books as possible throughout the remainder of my life.

JUDY AND I ARE NOW UP TO DATE ON OUR PAYCHECKS. We received contributions at the end of the year that were sufficient to make up for the three paychecks that we were behind. We are so pleased to tell you that we are now current with our paychecks. We are very grateful to each person who sent a contribution and to each person who prayed for us. Thank you and God bless you.

We did not hold back on sending books to needy people around the world because we did not receive paychecks. We now are preparing to undertake an ambitious project of sending a large eBlast to many pastors in Third World countries offering them free copies of *You Can Hear God's Voice*. We definitely plan to increase our giving of books to people in Third World countries and to inmates in prisons and jails.

URGENT PRAYER REQUEST FOR OUR BELOVED PASTOR EBENEZER IN INDIA. Our dear Pastor Ebenezer Moses was hit by a huge overhead water tank. He is in bed and can't move. The doctor calls it a "wedge compression fracture." Please pray for Him. You can send him an email at helloebenezer@yahoo.com to encourage him. He is an anointed man of God whom God has given a mission to reach India with the gospel. He is unrelenting in his focus on this mission. He would be so blessed to hear from you.

YOUR SPOUSE NOT AS ON FIRE FOR THE LORD AS YOU ARE? I received an email this month from a longtime Lamplight lady who so desires for her husband to grow in the Lord at the rate she is growing. She is passionate to know the Lord better and have Him as the center of all that she is and does. Her husband knows the Lord and is very open. When you love God with all of your heart and your spouse is less on fire than you are, you want to light a fire under him or her, don't you?

My answer is: You are not his mother or you are not her father. Wives, honor your husband with great reverence (clue: praise him every day for working so hard and let him know how thankful you are that he loves God-if he does- and that he loves you.) Husbands, love your wife (clue: sit down and ask her to tell you what is on her heart. Really listen and don't give advice, just listen.) Allow your spouse some space to grow in the Lord in his or her own way. Be faithful in your own personal prayer time with the Lord and your study and learning of His Word. Plan each day which verses you are going to speak all day long...verses that pertain to what is important in your life together and your concerns.

Living the gospel is one of the best ways to spread it. Check your tone of voice and your focus when you speak to your spouse. Are you looking at him/her? Does your love come through your voice? You might call it "family evangelism by example." Do let me know your thoughts and if this rings a bell☺

PASTOR FROM KENYA REQUESTS BOOKS; WE SEND THEM; PLEASE PRAY. I received this wonderful email: "Dear in Christ, Sister Judy, Praise the Lord, our peace! Thank you for your kind words of many blessings to us here in Kenya. It's our hope that the Lord Who has brought us together will equip us in His glory. Amen. We are very much eager to grow up spiritually in your ministry teachings. May God bless all of us for the coming year! May God bless you all with His precious love and warm kindness! We will receive them with joy and love." He signs, "In His Love." Please pray for this pastor and his flock in Kenya. (We are sending a package of books to him and will look to receive word of lives changed by the Word of God and by the pastor being equipped to teach his congregation through our books.)

REQUEST FOR PRAYER FOR US AND ALL OF LAMPLIGHT MINISTRIES' OUTREACH. We know that God moves mountains through prayer. We ask you to pray for us regularly. We believe the books we are writing will be extremely helpful for people of all nations in today's world where evil is called good and good called evil (Isaiah 5:20). We desire to make God's Word available in easy-to-understand language either free of charge or as low as we possibly can. Your prayers will help us in every area. Thank you so much. Please let me know that you are praying.

We encourage you to carry our Scripture cards and give a card to everyone you see during the day. Carry our books and give them as the Holy Spirit leads you. The Word of God is powerful and will change lives. Just deliver it (Hebrews 4:12) ☺ We are praying for you that you will prosper and be in health even as your soul prospers (III John 1:2). We love you so much.

With you we thank God that we are blessed to be a blessing (Genesis 12:1-3)
