JACK'S TEACHING ON THE HEALING POWER OF JESUS CHRIST: This month we will study Scripture references on healing. If you need healing in your body, we pray that you will choose to live in the presence of God, to know God's promises about health and healing, to know God Himself, His very nature, and immerse yourself in the Word of God, especially the verses presented here. *God forgives all of your sins and heals all sickness in your body (Psalm 103:2-3). Jesus Christ paid the price for you to be healed and made whole, (Isaiah 53:5) Keep God's words ever before you. They are life, and health, and healing, (Proverbs 4:20-22); Jesus Christ paid the price for you to be made whole, (Isaiah 53:5) See also: John 19:1; Isaiah 53:14; Joshua 1:8; Psalm 1:1-3; Proverbs 12:18; Matthew 12:34; Joshua 23:14; Proverbs 23:19; I Corinthians 1:9; Hebrews 6:18; Ecclesiastes 3:1-3; Hebrews 3:6; Galatians 6:9* Enjoy on our website much more of Jack's wisdom for this month☺

JUDY ADDS INSIGHT ON THE BIBLE AND MINI REBOUNTING! The benefits of Mini Rebounding go way beyond exercise. It is a whole-body exercise where EVERY SINGLE CELL is rejuvenated and oxygenated (in your muscles, bones, eyes, heart, lungs, kidneys, ears, glands - everything! NASA research found rebounding to be 68% more efficient than running on a treadmill! In his book *Jumping for Health*, Dr Morton Walker claims that just 2 minutes of rebounding offers equivalent physiological benefits as: 6 minutes of running, 10 minutes of swimming and 22 minutes of walking! (More on our website under Judy's Manna for March☺)
