**From Uganda on 9/21/2016:** "Christian greetings to you all. Dear pastor Jack and Judy Hartman, I am very grateful for your book, 'RECEIVE HEALING FROM the LORD.' I lost both of my parents and all belongings in the civil war that took place in Uganda 1980-1990. I was left with nothing but with a wound of being a hopeless orphan. When I received & started reading this book 'Receive Healing from the Lord' while translating it to myself and fellow countrymen, I felt my inner wounds were healed while following and putting this book into practical practice. At the moment my whole life depends on the Word of God. Long live and thank you Lamplight ministry...for sending to us this book at a free cost." Pastor Tonny Ssekyanzi

"Feel free to use my name in the newsletter because I am telling the real truth. Secondly, I am your son and you brought me up...when I was experiencing all tragedies of life. Thank you, Mum. Your son, Tonny

**From ME 9/22/2016:** "There are not enough words to describe what this wonderful man, Jack Hartman, has meant in my life! I took what he taught me early in his life and I passed it on to others where it continued to grow and spread among them! I excelled in my work according to my rewards, simply because of what I learned from Jack! Then I watched others do the same! It was Jack Hartman who introduced me to belief and how this impacts one's life. When this is coupled with humility and understanding about the reality of our lives totally in the hands of Jesus, then one lives as we are intended...For Him! Jack has such a wonderful Gift! Praise God!"

**To Pastors and Leaders in Third World nations:** Most of our books are available for free reading or downloading at [smashwords.com](http://smashwords.com). Type in "Jack and Judy Hartman."

**Jack's message for September: You Can Enter into God's Rest** "In this teaching we will study what the Bible teaches about the rest of God. You will see that God definitely has provided rest for each of His children. Many of God's children do not enter His rest because they do not know what the Bible teaches about entering into God's rest.

**Judy's message for September: Lesson #1 in Judy's Series: Health in a Nutshell. The Bible for Health:** If you have received Jesus Christ into your heart, your body does not belong to you, but to God. Until you receive your perfect, glorified body, your job is to keep your body, the temple of the Holy Spirit, in optimum health until you take your last breath.
