Dear Beloved Lamplight Family:

January 2018

The response was so delightful. All Lamplight books will continue to be free for downloading from www.smashwords.com until February 15. Put in Jack and Judy Hartman. Our gift to you!

Listen to [Judy interviewing Jack for a Trust God for Your Finances update](#) on our website!

If you haven't [downloaded Jack's Scripture memorization verses](#), you still can on our website.

Fear cannot grip you if you keep the Word of God before you all of the time. Go over verses that fit your situation right now. The Word of God, the power of God, is our weapon against the onslaught of evil in the world that is being uncovered more each day. Wield the sword of the Word of God!

Jack had trouble getting six hours of sleep from age 42 until recently at age 86. Now he is able to get seven or eight hours of sleep, still intermittently, [but he is getting enough sleep!](#) We attribute this victory to Jack's meditating on the Word of God each day. [Benefit from Jack's verses or your own!](#)

[Newsflash! Jack's Journal is now available on our website.](#) At 86, Jack has a lifetime of God's wisdom that pours out of him to you. These are quick, short messages from Jack's heart to yours! In the first one, Jack tells how in 1973-74 Jesus carried him through His Word from bankruptcy and a near nervous breakdown to leading a company (Jack retired in 2012) that now has over 100 employees!

The classic audios by Jack on joy and fear are now on our website for you as our gift!

Judy is covering the book of Hebrews on her blog, lamplightmin.wordpress.com. "Long ago God spoke many times and in many ways to our ancestors through the prophets. And now in these final days, He has spoken to us through his Son." Hebrews paints a picture of Jesus Christ for us.

Please [pray](#) for our yearly Board of Directors meeting in February. Please [pray](#) for the plans for a world-wide teleconference ministry to pastors. Please [pray](#) for the translations into Tamil for India by Rev. Ebenezer Moses and into Indonesian by Dr. Gideon Tandirerung for Southeast Asia as they are completed. [Pray](#) for bountiful printing and distribution! Please [pray](#) for the audio versions of Lamplight books being created! [Books and e-books can go even where the gospel is not permitted.](#)

[From Lamplight's India Director, Rev. Ebenezer Moses:](#) "It is time to be happy. Problems are in the world, but there is a Savior born to save us. Billions of people do not know this truth. As you know, I, my family, and my co-workers are in the business of proclaiming this good news to thousands. I humbly request you to remember me, my family and all the poor I am serving in your prayers. Tomorrow is a great feeding day, just one hot delicious full meal to a hungry man changes his spiritual life, because he knows that he gets this meal because of Christ's birth. As I am writing this email, my wife and children are buying clothes for 100 beggars, lepers and poor. Tomorrow the top police officer will attend our Christmas service and distribute these clothes to the poor, serve food, and, also, we are giving 10 sewing machines to the women who got the sewing training in our free tailoring school. We are giving certificates of completion to 75 women and those who could not get the sewing machine are crying and I comfort them. Soon they will get one. I and my family wish you a prosperous New Year."

[From our Southeast Asia Director, Dr. Gideon Tandirerung:](#) "Pray for us as we adjust to our situation and can move forward to carry the Gospel of Jesus Christ to all people. We are translating Lamplight books to be used in our teaching, Bible studies and even in conducting training for home groups

and business people. Pray for us that God will open the doors for doing these ministries. We will offer these opportunities to churches Christian groups or fellowships." We are seeing God open mighty doors!

Judy's **recipes for quick soups for Jack:** Saute onion and garlic (and fresh veggies, if using) in veggie broth; blend with veggies and almond milk plus onion and garlic powder, Italian seasoning, parsley flakes, dried sage; heat and serve. Can use frozen broccoli, cauliflower, green beans, etc. I cook about six cups of quinoa and six cups of black beans and freeze each in one cup portions in plastic bags and use them in soups and salads. I am baking six Granny Smith apples at a time, sprinkled with cinnamon! Yum!

Please pray for America, the peace of Jerusalem, and for Lamplight at noon.

Jack and Judy

With you we are truly blessed to be a blessing, (Gen 12:1-3; I John 4:8; I Thess 4:16!)
