Dear Lamplight family,

February 2018

We send our love and deep joy in Christ Jesus.

My laptop has been out for three weeks and **will return to me good as new and under warranty** :) Kelsi and her great family and staff at Wilson Printing are putting this newsletter together for me. "Thank you, everyone at Wilson Printing!"

I am accompanying Jack to the beach this afternoon. **We thank God** for the majestic Gulf of Mexico, for the beautiful egrets, the stately great blue herons, the funny pelicans, the friendly robins, the cooing seagulls, and the noisy blackbirds:) **We are truly blessed** to live ten minutes from the Honeymoon Island Causeway.

We had our yearly Board of Directors' meeting-glorious it was. **All members attended and rejoiced!** So much to report when my laptop returns:)

For you we extended all free e-book downloads from www.smashwords.com. Put in Jack and Judy Hartman. Tell others that God's Word for them is there.

Report from our India Director, Rev. Ebenezer Moses:

Warm wishes and greetings from India for the Board meeting of Lamplight Ministries.

It is a great blessing to serve as the India Director of Lamplight ministries. I praise and Thank the Almighty God for the Lamplight Ministries founder, Jack Hartman. He is a humble man of God, A spiritual Guru to many. The Lord used him to reveal the holy scriptures in a simple way even an illiterate common man can understand. I and the many people here in India who read his books always amazed of his wisdom to interpret the holy scripture. I praise and comment his good work for presenting the great truths of the Bible in a simple way to the illiterates of the third world countries.

I greatly appreciated their generosity not only for giving permission to translate the Lamplight Ministries' books into other world languages, but also to make available funds for the translation and publish the book in the third world countries. It is a wonderful ministry to ship hundreds and thousand of lamplight ministry books to the third world country Christian leaders. I am sure in many foreign countries, these are the only Christian literature that the third world leaders have to understand the Bible well.

Even though Dad Jack and Mum Judy are old enough to retire and to be relax, I am amazed that they work many hours a week and publish at least one new book a year. I appreciate their hard work and people must pay a good salary for their hard work. I request the other Directors or those who have the powers to increase the financial support to Dad Jack and Mum Judy.

Personally I am very much blessed through them. Judy has visited me in India for seven times, year after year and encouraged me in a great way to develop the various ministries such as Orphanage, Bible School, Christian Kinder garden school, free sewing training school, Gospel crusades, pastor conferences....etc. They are truly faithful and truthful ministers of Christ and I am very happy to work with them.

I pray that the Heavenly Father will strengthen them with sound health, long life, joy and happiness. My special greetings to all other Board of Directors of Lamplight ministries.

Report from our Southeast Asia Director, Dr. Gideon Tandirerung:

We have finished translating several books of Lamplight, and have no more books left to translate. We need more Lamplight books to translate. Send us more please.

We already informed churches about our mission with Lamplight and we will start the Bible study using Lamplight book, especially "Trust God For Your Finance". The church will print materials and we will conduct the study with ICC (Indonesian Community Church), follow after with a group of Christian's in the Indonesian community and consulate.

God willing, we will cross the south boundary to Indonesia and start promoting our services and ministries in Indonesia. We are searching for a place to be our office and pray for our place to stay in Indonesia. Our future plan is to penetrate the message of the Gospel using Lamplight Publication Books and other materials to different ethnics in South East Asia. We will search for partners especially in printing materials and use media to promote our publication.

Continue to pray for us as we will be launching our ministry to different people and groups or churches and para church, and cooperation with other churches or Christian organizations in the mission field.

We all always pray for all of you in Lamplight. **God always bless you all.**

Thank you. **To God be the Glory.** We all love you.

We love you. **God is love.** As we live in Him in Christ Jesus, His love grows and bursts out of us to others. May His love bless others mightily through you!

*Please pray for America, the peace of Jerusalem, and
for Lamplight at noon.*

Jack and Judy

With you we are truly blessed to be a blessing, (Gen 12:1-3; I John 4:8; I Thess 4:16!)
