The first students enrolled will be unable to pay. We believe God planned it this way. As soon as the school is in compliance, students whose parents can pay will come. You can be part of what is to us a miracle: Lamplight Senior Secondary School. Many people doing a little will provide all that is needed! Thank you for considering this opportunity to provide Christian education in excellence in Uganda.

- **Right this minute!** Go to <https://amazon.com> and Key in: ***Helping You Understand the Bible: God's Plan Made Clear***. Purchase it for \$0.99 (I was unable to offer it for free through KDP - Amazon); read the book; write a review; post it under the book on Amazon. Your review will help draw others to read the book, come to know the Lord, and be discipled by the Word of God in the book. **Do it now!**

- **Scripture Verses Booklets:** Due to fact Kindle Direct Publishing (KDP) does not print cards that can be listed on Amazon, our faith building Scripture (previously printed on sets of cards) will soon be published by KDP and listed on Amazon as a 5" x 8" booklet. Each booklet will be titled with the name of the book the Scriptures are from and will include instructions on how to use the Scripture to meditate. These booklets will be additions to Lamplight's God's Toolbox Series. The first booklet to be published will tentatively be titled, ***Scriptures for Meditation from Financial Instructions From God***. Watch for the publication date in our future newsletters!
