**We invite you, especially in prayer, to reach souls  
and make disciples in all nations with us**

Dear beloved Lamplight family

### **Take the offense in any offense!**

"A man who has friends must show himself friendly, but there is a friend who sticks closer than a brother," (Proverbs 18:24). We can be a friend the more time we spend with the Friend Who is always there for us. A secret is to talk with Jesus each morning and "preforgive" any offense that may come during the day. When the offense comes, smile and laugh, knowing that you in Christ Jesus have the victory. Do the hardest command, bless anyone who brings offense. I'd love to hear if this little secret makes a difference in your life 😊

### **Uganda: lamplight senior Secondary School received government license approval with flying colors!**

We are ecstatic to report that LSSS met all government requirements and is recognized by the government as a senior secondary school in compliance with all government regulations! Thank you! Thank you to all who made this possible.

Lamplight Ministries is sponsoring 15 nonpaying students. The cost for each student for the year is \$84 per each three month term for a total of \$252. A grand friend of Lamplight called and asked to sponsor a student. She ended up sponsoring four children for a year! Oh, what a blessing. Whatever amount anyone wants to send to sponsor a student at Lamplight Senior Secondary School will be celebrated with singing! If you would like to sponsor a child for a year, we will connect you with the boy or girl you are sponsoring and will receive his or her photo and can begin corresponding.

Remember that Jack and I began sponsoring a 14-year-old boy named Tonny Ssekyanzi, the same Tonny, now 43 years old, who pastors Lamplight Church and is Head Master of Lamplight Senior Secondary School. Hallelujah! Tonny had lived in the bush for three years with his two brothers during the civil war in Uganda until the God Loves Kids Orphanage found him. We chose his precious face from the photos provided. We have been family since 1997😊 You just do not know whom you are sponsoring! You might sponsor the next great evangelist of all time or a future President of Uganda.

I pray that the presence and power of God will enfold you, empower you, and keep you in the love and joy of God in Christ Jesus.

With you we are truly blessed to be a blessing, Genesis 12:1-3
