November 2020 Volume 3331

Dear Lamplight Family:

We invite your prayers for our family as we are mourning the loss of Jack's son, David, from the complications of a stroke. Pray especially for David's daughter, Jessica, and for Jack's son, Mike, and for me.

We give special thanks this month for you, our Lamplight family. *"speaking to one another in psalms and hymns, and spiritual songs, singing and making melody in your heart to the Lord, giving thanks always for all things to God the Father in the name of our Lord Jesus Christ.*

Helping You Study the Bible: God's Plan Made Clear is the newest Lamplight Ministries, Inc. book title to be birthed soon!

November Lamplight Book Focus: *Exchange Your Worries for God's Perfect Peace*

Read it for free on <https://smashwords.com> Do let me know how you like it😊

"Exchange Your Worries for God's Perfect Peace is a masterpiece. I have read hundreds of Christian books and nothing has revolutionized by life or my ministry like this book. I am reading this book to the people here in the Philippines. I saw tears flowing down their faces as I read them parts of this book. I must get this book translated into their language. I am reading this book for the second time. *After thirty years in the ministry, I finally have learned how to turn my worries over to God.* I have learned more from this book in the last few months than I have ever learned in my life. I will not allow my copy of this book to leave my presence. I thank God for you." (Philippines)

"I want to tell you how much I appreciate you and your excellent book, *Exchange Your Worries for God's Perfect Peace*. I have never found another Christian author who teaches me more about God's Word and speaks so directly to my heart. Your books are concise and clear. They give me spiritual fulfillment. For almost fifteen years, I have read each of your books many different times. I use different colored highlighters each time I read the book. I also make separate notes. The pages have fallen out of many of your books because I have read them so much. *Thank you for helping me to appreciate and respect the Word of God.*" (Wisconsin) Exclaim to everyone that this book is available for free on <http://smashwords.com>!

Do you know the best investment with the best returns you can make anywhere on earth? **I challenge you to begin memorizing Scripture daily.** You'll be telling me of the truly astonishing returns!

Let's begin with learning Psalm 91 in our hearts. Begin with verses one through three. Learn verse one; then learn verse two. Tie them together. Then learn verse three and tie it to verse two. Then put the three verses together and pray them to God over and over again. (You can even add a tune you know to it or create a tune! Just try singing the verses. You can remember them twice as quickly!)

Then begin on the next three verses: four, five, and six. Use the same pattern, keeping verses one, two, and three alive. Then add the first two sets together, keeping them alive. Then begin on verses six, seven and eight. Take as long as you need. Enjoy loving God through His Word! Soon you will have all sixteen verses of Psalm 91 written on your heart and sending them from your heart to God's.

Let's aim to have this first Scripture adventure completed by January 1. I promise off the map returns! (If you have had a block that has kept you from learning Scripture, we are toppling that block right now, in Jesus' name. Amen! Love God's Word and revel in it! Soon it will be written on your heart. Take just a phrase or two and go over and over it. Relax. Just love God and His Word. Then add another phrase, just a few words, and pray them to God. **Soon you will be skipping and hopping and shouting because God's Word is alive in your heart!**

Learn Scripture and exercise on You-tube: "The 91st Psalm-Praise Moves Flow."

My dream of living on my son, John and Angie's farm will be a reality by December 6! Chip, our-recently-acquired-goat-who-needed-a- new home, jubilantly led our recent trail ride!

Thriving in our garden are collards, kale, celery, arugula, mint, and oregano☺ **Are you thriving in God's Word?**

From Dr. Gideon and Claire Tandirerung, Sulawesi, Indonesia!

We appreciate the time, prayers, support and sacrifices used by God's children to support God's work that we are doing in Southeast Asia.

• Claire mourns for her brother's passing away, and Eric, her nephew, had a kidney transplant operation in Pittsburgh, USA. Claire and the whole family mourned because her eldest brother was called by God because he was sick for about 5 years. He was 82 years old. Families find it difficult to gather because of the pandemic and health protocol regulations throughout Indonesia. Recently the lockdown was lifted, but because it was found that Covid was increasing, the government finally ordered that the lockdown be enforced again with harsh penalties. Whoever is caught will be fined. Claire's nephew in Pittsburgh underwent a kidney transplant after suffering from dialysis for about two years. The operation was considered successful and suited his physical condition. Thanks to God. **Please pray for Claire's family, Indonesia and the world situation.**

Also, the Pandemic situation is getting worse in Makassar city where we live. The city is becoming a red zone according to the government. Practically, we find it difficult to leave the house and hold any activities.

The Indonesian government has given their consent to cooperate with Yayasan (non-profit and non-government organization, Bill Gates, to inject community members with a vaccine funded by the Bill Gates Foundation, but an expert medical

doctor from Indonesia did not approve of the program, because he thought it would not benefit Indonesia. He suggested that Indonesia create its own vaccine suitable for Indonesians.

Rizieg Shihab, the controversial leader of the Islam Defenders Front (FPI) will arrive in Indonesia later

this month, returning to his own home country.

Briziek, an extreme Islamic leader, recently returned, after being in Saudi Arabia for 3.5 years. A dangerous movement is sweeping Saudi Arabia; Indonesia getting more violent. **Please pray.**

Our environmental situation is worrying because the cats are dead; in the alley zone there is constant fighting. We have to move. **Pray while we are looking for a new place to live and an office for Lamplight.** We will be in this place for about 6 more months.

We will continue to circulate information on books and may also invite God's servants to have seminars on Lamplight books by Zoom.

We are preparing to have our own Lamplight website. One of our students knows how to design websites. Everything will be in the Indonesian language. We also need a website in English for Southeast Asia. We are in the process of building these websites which have been approved by Lamplight Ministries, Inc.

Please pray about these outreaches to people in Southeast Asia and world-wide.

That is our report from the mission field. God bless you. *Gideon and Claire*

From Pastor Tonny and Carolyn Ssekyanzi.

Lamplight Church, Kampala, Uganda:

I am blessed to tell you that God is changing the trend of worship in my community through preaching the Word of God by using the authored books of Judy and Jack Hartman of Lamplight Ministries.

From most homes in my community, people used to go to Uganda's traditional religions, for example, to the shrines: But because of the gospel I preach using the Lamplight published books, the trend is changing. People are coming to salvation through our Father God and His Son, our Lord Jesus Christ. The prayer and financial support that you extend to us is of great impact on our mission, as we were commissioned by our Savior, Jesus Christ.

Last month, I received and introduced 3 families to our Lord and Savior, Jesus Christ. Glory be to God. Thank you and keep promoting the work of God.

Second, many Christian families here live in the vicious circle of poverty! However, it is important to note that we can help them by teaching and providing them with seeds and skills on how to farm, because most of them have land! Therefore, keep praying for your Uganda Lamplight family.

Here is a photo of me with our church youths who love God, minister with our church and embrace the idea of farming as well as learning the Word of God.

Lastly, our community has been hit by the covid19 pandemic. Some of our fellow believers were evicted from their work places, because many businesses closed, especially schools and market vendors, to mention but a few! Many of them still need your prayers, because they have families to take care of. We have believed

together that God will make a way where seems not to be a way! *Pastor Tonny and Carolyn*
